REACH – Substances of Very High Concern (SVHC)

We confirm that to the best of our knowledge and based upon information provided by our manufacturing partners, products sourced by Supaseal (UK) Ltd do not contain any of the substances listed in the candidate list in a concentration above 0.1% w/w. There are no substances intended to be released from these products under normal or reasonable foreseeable conditions of use.

This declaration covers substances as detailed in the European Chemicals Agency (ECHA) candidate list (last updated 20th Jan 2021 to 211 SVHCs)

We are awaiting confirmation from at least one manufacturer, but we do not expect any issues with our product range.
